

Lyndon Group Adds Walter Young As Information Technology Practice Leader

NEWPORT BEACH, Calif. – February 15, 2011 – Lyndon Group (www.Lyndon-Group.com), a premier accounting, finance, [Information Technology](#) (IT) and corporate governance professional services firm specializing in project-based engagements, announces the addition of [Walter Young](#) as the firm's Information Technology Practice Leader. Mr. Young brings more than 20 years of experience to the organization's accounting and finance practice.

Mr. Young will lead Lyndon Group's clients through sophisticated IT projects ranging from strategic development and implementation of systems design to the selection of vendors and contract management. In addition, Mr. Young will perform IT department assessments and guide clients IT infrastructure and related operational issues, as well as [audit and compliance](#) efforts for Sarbanes-Oxley.

Prior to Lyndon Group, Mr. Young consulted with a variety of global industries including healthcare, manufacturing, medical device and financial services companies.

Responsible for program and project leadership in enterprise application implementations and operations, Mr. Young was the Chief Information Officer (CIO) for Endocare Inc. (now Healthtronics, NASDAQ:HTRN), an organization specializing in cryoablation

cancer treatment equipment and technologies, where he managed all corporate IT functions. Mr. Young holds a Bachelor of Arts in business administration from California State University, Fullerton.

“Lyndon Group’s IT practice clients often need a practitioner who can balance the strategic and implementation components of a program effortlessly. Walter Young is a great addition to our team, he understands what our clients need, and gets them from point A to point B as fast as possible. These skills are highly in demand, and exactly what our team and our clients were looking for,” said [Ken Jones](#), CPA, founder and executive managing director of Lyndon Group LLC.
